

LONG LONESOME HIGHWAY by James Hendricks

E7 *A7*
Goin' down that long lonesome highway

D7 *G*
Bound for the mountains and the plains

E7 *A7*
Sure ain't nothin' here gonna tie me

D7
And I got some friends I like to see again

G *B7*
One of these days I'm gonna settle down

C *D7*
But till I do I won't be hangin' round

E7 *A7*
Goin' down that long lonesome highway

D7 *G*
Gonna live life my way

E7 *A7*
Yes I'm, goin' down that long lonesome highway

D7 *G* *D* *G*
Gonna live life my way
